Help us choose the 2008 Business Person of the Year

Winners of previous years:

Steve and Debbie Hill of Hill Moving Services
2006

Larry Nakata of Town & Country Market
2007

May is the month when the Bainbridge Island Chamber of Commerce honors its **Business Person or Couple of the Year**. We will do so this year at Wing Point Golf & Country Club on Wednesday **May 21, 2008**. The awards luncheon will be held in place of our regular monthly membership luncheon for the month of May. This distinguished award is a double honor.

Not only does the winner serve as the focal point of our annual banquet, but they are also asked to be the **Grand Marshall of the Chamber's Grand Old Fourth of July Parade**. We hope that you will participate and let us know what deserving man, woman, or couple should be considered for this honor.

Neither the person being nominated nor the person nominating a candidate need be a Chamber member. **Any citizen of Bainbridge Island or any person doing business on Bainbridge Island is welcome to participate.**

On the back of this flyer is a nomination form. We need the name, business, address, and phone number of the person being nominated as well as the person doing the nominating.

In addition to providing those vital statistics, it is essential that you let us know **why** you are nominating a particular person. The criteria is quite simple - what has this business person contributed to the business community in the way of personal and business accomplishments, innovation, kindness and community support.

Please describe some interesting characteristics of a potential candidate, so we can let others know more about them when it is time to select the person to be honored.

One of the most essential criteria is a person's history of involvement in the Bainbridge Island business community.

A project committee of the Chamber **Board of Directors** and the **Executive Director** will make the selection of this year's Business Person of the Year. Our selection requirements include community involvement, participation in business and community organizations and clear evidence of business acumen.

Thanks in advance for your participation.
